Flying Eagles Soccer Team

February 25, 2008

Dear Sir or Madam:

On behalf of the Flying Eagles Soccer team I am writing to invite you to help in a fantastic opportunity for our boys. The 'Flying Eagles' are traveling to London, England to represent Houston and Texas in an International soccer tournament in August 2008 organized by leading English Premier and world famous club, Arsenal.

For many of the Flying Eagles players it will be their first time outside of the USA and the tournament is a great way for them to participate in a cultural exchange and learning program via their love of soccer. They will be participating with teams that are representing diverse nations such as Australia, Germany, India and Israel.

Why should I sponsor? Well, think back to when you were young and of the great memories you had that have lasted a lifetime. We are trying to give the Flying Eagles an experience that they will never forget and a week of learning and mixing with other children from different cultures that will shape their lives and those around them for many years to come.

Please find enclosed some suggestions on how you can help the Flying Eagles,. We would be very grateful for any other assistance, aside from the suggestions we have listed. Please contact me at your convenience on 713 522 2192.

I look forward to speaking with you,
Sincerely,
